## **DEDICATION.**

- i. To God my eternal Guide.
- ii. To my family for their immense support and understanding.

## **ACKNOWLEDGEMENT.**

God, deserving of another mention and to whom all my talents and skills are dedicated, for bringing me through this.

My whole family, dad, mum and brother. You have made me who I am and are God's manifestation here on earth. Thank you all for your support and belief in me when the going was tough.

Architect Yusuf Ebrahim, my tutor, for your valuable contribution and guidance in the shaping of this process and product

Architect Abonyo Erastus, year master, for your specific input and time at strategic points along the process, and efficient coordination of the class.

Architect Musau Kimeu, Chairman of the Department of Architecture and Building Science, School of the Built Environment, for instilling discipline and work ethic in all of us

All lecturers, Department of Architecture and building Science, for your comprehensive feedback personally and at presentations.

Special thanks to all staff of the Urban Design & Development Section of the Urban Planning Department of the Nairobi City County for their impressive cooperation and swift response to my inquiries.

A special thanks to Architect Paul Oburu, for taking time off your busy schedule to give feedback on my work.

To all contributors to this process, all of whom I cannot mention, I am indebted for the kind words and acts you have directed at me.
