URBAN RENEWAL:A CASE OF KIRINYAGA ROAD

- Urban Renewal:
 - comprehensive scheme to redress a complex of urban problems, including unsanitary, deficient, or obsolete housing; inadequate transportation, sanitation, and other services and facilities; haphazard land use; traffic congestion; and the sociological correlates of urban decay, such as crime.(Encyclopaedia Britannica)

KIRINYAGA ROAD

- Stretches from Globe roundabout to Racecourse road.
- Hub of vehicle spare part shops.
- Enjoys proximity to major thoroughfares; Jogoo Road, Thika Road, Uhuru Highway.

THE ISSUES:

- Outdated master plan.
- Congestion.
- Pollution.
- Relic structures with questionable structural integrity.

OBJECTIVES

- Document urban activities.
- Formulate a strategy for urban renewal in Kenyan cities.
- Analyze challenges and opportunities.

APPROACH

- Quantitative approach to the research.
- Interviews and questionnaires.
- Collection of data such as traffic, nature of businesses and activities.
